2 Seater 200cc Side-by-Side All-Terrein Vehicle

FALCON 200-2S...

The Falcon 200-2s is your gateway to the world of recreational off-road driving. Compact yet capable, this 200cc two-seater side-by-side is perfect for farms, game lodges, or light-duty trails. With a sporty design, electric start, and CVT transmission, it delivers user-friendly performance and low maintenance.

Ideal for new riders or as a utility companion in compact work environments, the Falcon 200-2s offers a reliable introduction to the Falcon SSV lineup.

- Compact and lightweight for tight terrain
- Reliable air-cooled 200cc engine
- Simple and easy-to-use CVT transmission
- Low operating cost and minimal maintenance
