## Deluxe 2 Seater Golf Cart (With Lights)

# CLUB 2 DELUXE WL...

The Eagle Club 2 Deluxe with Lights takes the trusted performance of the Deluxe model and enhances it with built-in lighting for improved visibility, safety, and convenience. Perfect for estates, resorts, or campuses that require reliable transport during both day and night, it combines functionality with a refined design.

Key Features & Benefits

- Integrated Lighting System
  - Equipped with front and rear lights, this model ensures safer driving in low-light conditions—ideal for evening use in estates, resorts, or event venues.
- Extended Range & Performance
  - Built with enhanced battery capacity for longer rides and greater efficiency, supporting regular daily use.
- Comfort & Practical Design
  - Retains all the essentials from the Eagle Deluxe: electromagnetic brakes, rear storage, dual sand bottles, ball and water holder, split windshield, and a built-in cooler box.
- Premium Finish & Customization
  - Refined detailing for a more stylish look, plus optional upgrades like aluminum wheels and golf bag holders for added utility and durability.

Who It's For

- Estates, campuses, and resorts that need reliable, safe transport day and night.
- Properties with extensive grounds where longer-range and night-friendly features are key.
- Users who want practicality and modern styling in a compact, efficient cart.

Why It Stands Out
The Eagle Club 2 Deluxe with Lights elevates the electric cart experience by combining extended range, premium styling, and improved safety. With its integrated lighting system, it's built not just for efficiency, but also for peace of mind—making it a standout choice for environments that operate around the clock.
